International Gambling Counselor Certification Board

CERTIFICATION

The International Gambling Counselor Certification Board (IGCCB) supports the concept of voluntary certification by examination of gambling counselors. Certification is one part of a process called credentialing. Certification focuses specifically on the individual and is an indication of one's current level of knowledge in gambling counseling.

PURPOSES OF CERTIFICATION

TO PROMOTE COMPETENCY IN GAMBLING COUNSELING BY:

1. Promoting high standards of training, competence, skills, and knowledge.
2. Providing a national and international standard for requisite knowledge in gambling counseling.
3. Recognizing formally those individuals who meet the standards of eligibility established by the IGCCB.
4. Encouraging continued professional growth in gambling counseling for the purpose of improving the quality of care to addicted persons and their families.
5. Establishing, measuring, and monitoring the level of knowledge required for certification in gambling counseling.

EXAMINATION ELIGIBILITY REQUIREMENTS

LEVEL I GAMBLING COUNSELOR – (or ICGC-I)

Only once ALL requirements have been fulfilled AND the application has been approved will candidates receive certificates from the IGCCB and be eligible to use the appropriate registered designation ICGC-I or ICGC-II after their names. A registry of Certified Gambling Counselors will be maintained by the IGCCB and may be reported in its publications. Certification is recognized for a period of three (3) years at which time the candidate must meet current eligibility requirements to maintain certification.

REVOCAION OF CERTIFICATION

Certification will be revoked for any of the following reasons:

1. Falsification of any information, including experience data, requested in the Application.
2. Misrepresentation of certification status.
3. Revocation of current license, certification, or registration.
4. Violation of the Ethical Standards for Certified Gambling Counselors.

The Appeals Committee of the IGCCB provides the appeal mechanism for challenging revocation of certification. It is the responsibility of the individual to initiate this process with a written or documented request.

SCHEDULING YOUR EXAMINATION APPOINTMENT

Once your application has been received and processed and your eligibility verified, you will be sent a notice from PTC confirming receipt of payment and acceptance of application. Within six weeks prior to the first day of the testing period, you will be sent a Scheduling Authorization via email from notices@ptcny.com. Please ensure you enter your correct email address on the application and add the 'ptcny.com' domain to your email safe list. If you do not receive a Scheduling Authorization at least three weeks before the beginning of the testing period, contact the Professional Testing Corporation at (212) 356-0660.

The Scheduling Authorization will indicate how to schedule your examination appointment as well as the dates during which testing is available. Your current driver's license, passport, or U.S. Military ID must be presented in order to gain admission to the testing center. PTC also recommends you bring a paper copy of your Scheduling Authorization and your PSI appointment confirmation with you to the testing center.

After you make your test appointment, PSI will send you a confirmation email with the date, time and location of your exam. - **It is highly recommended that you become familiar with the testing site.**
- **Arrival at the testing site at the appointed time is the responsibility of the candidate. Please plan for weather, traffic, parking, and any security requirements that are specific to the testing location. Late arrival may prevent you from testing.**

SPECIAL NEEDS

IGCCB and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). Information supplied on the Request for Special Accommodations Form will only be used to determine the need for special accommodations and will be kept confidential.
